General Information

1. This document is your boarding pass, which will be required to board the aircraft.
2. Carry this document with you at all times. Please have your passport available for identification during your journey as well.
3. If you have baggage to check in, you may do that at the baggage drop-off point or at the check-in desk, depending on the airport. Please note that there is a deadline for baggage drop-off, which corresponds to the check-in deadline for your flight.
4. All Non-Schengen passport holders must proceed to Visa check at an airBaltic check-in desk.

Dangerous goods in passenger baggage

For safety reasons, the following articles or materials may not be carried in passenger baggage:
explosives, ammunition, fireworks and flares; gases (flammable, non-flammable, deeply refrigerated and poisonous), such as camping gas and aerosols, carbon dioxide gas cylinders; flammable liquids such as lighter fuels, paints and thinners; flammable solids, such as matches and articles which on contact with water emit flammable gases; oxidizing substances (such as bleaching powder and peroxides); poisonous (toxic) and infectious substances; radioactive materials; corrosives, such as mercury, which may be contained in thermometers; acids, alkalis and wet cell batteries; magnetized materials and miscellaneous dangerous goods listed in the IATA Dangerous Goods Regulations. Matches and gas lighters may be carried on the person.
